DRT SHOW

DIVING RESORT TRAVEL EXPO

The name “DRT” stands for Diving, Resort, and Travel. Jason Chong, the CEO of DRT SHOW, with hopes of speed development in the diving industry in Asia Pacific and increased awareness of marine conservation, started DRT SHOW in 2009.

In 2010, the first DRT SHOW was held successfully in Hong Kong and 90% of exhibitors are overseas, which proves that DRT SHOW is the most international dive exhibition in Asia Pacific. Since then, DRT SHOW has been taking place in several Asian cities including Hong Kong, Shanghai, Beijing, Guangzhou, Okinawa, Singapore, Manila, Taipei, Kuala Lumpur, and Mumbai. Now, DRT SHOW is the largest B2B2C platform and dive expo in Asia Pacific.

We Care About Sustainability

Plastic FREE Project

More than 8 million tons of plastic waste is dumped into the ocean every year. 50% of which is plastic products that have been used only once and most of them takes at least 100 years to be decomposed.

Therefore, since our inception, DRT SHOW has continued to advocate sustainable marine operations, implementing "Plastic Free Project" and inviting well-known and influential people in the diving industry to support the concept of plastic reduction and to protect the Ocean.

**We pledge to
use less plastic**

**Remove plastic covers
from badges
comprehensively**

**Use 100% compostable
bamboo fiber tote**

**Use recyclable
tableware in the
plastic-free cafeteria**

“Ocean Bingo Game” – Be an Ocean Saver with DRT SHOW

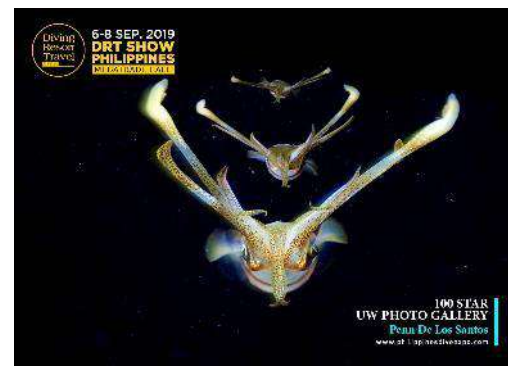

“Ocean Bingo Game” was newly launched by the Organizer. It consisted of onsite voting of 100 Star Underwater Photo Gallery and Vlog Competition and “Be an Ocean Saver Challenge” that was co-organized by well-known conservation artist Mr. AG Saño and non-profit organizations such as Clean Our Oceans Project, Greenpeace Philippines, Marine Wildlife Watch of the Philippines, Reef Check Philippines, and SEA Institute – VIP. Visitors could easily gain the awareness of marine conservation and enjoy onsite activities through the game.

“Through the activity, we not only are able to admire the underwater beauty of the Philippines through photos and videos but also learn the importance of marine conservation by playing fun interactive games”, the Organizer said. During the event, nearly 1,000 participants accomplished missions and won eco-friendly prizes such as bamboo toothbrushes and bamboo straws sponsored by Bambuhay, Cebu Eco Fix, and The Bamboo Company.

100 Star UW Photo Gallery & Vlog Competition
